

They count and count and count ... and are warranted Time meters H 37 and H 57

5

Jahre / years

Gewährleistung / warranty

Made in Germany by Kübler

- **Universally usable:** DIN sizes (48 x 48, 24 x 48 and other usual front panels)
- **Sturdy and safe:** long lifetime, high shock resistance, data retention in case of power failure
- **Suits perfectly:** upon request, printed customer logo for OEM customers

An attractive price is OK. A more attractive price and top quality with a 5-years warranty by Kübler, one of the leading manufacturers with his 45 years of experience, is unique. Our operating time meters H 37 and H 57 show the way: UL approved, stepping motor-operated operating time meters for front panel or rail mounting. Quiet operation also in the long range.

A pplications

- General time counting
- Maintenance intervals for measuring instruments (artificial ventilation, oxygen, dialysis)
- Small appliances, UV lamps
- Display panels in cars
- Dehumidification devices
