Connectors | M12 connection technology | 4-pin + PE

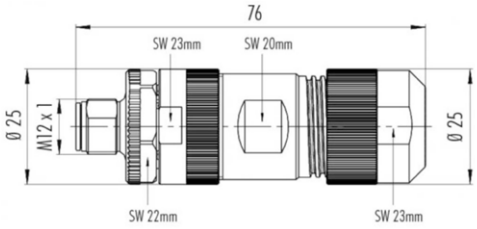
M12 male connector with external thread, L coded, straight

Order details	Order no.
Supply voltage	**8.0000.5211.0000**

Technical data

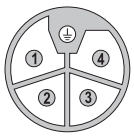
Connector housing	
material	metal / plastic
protection	IP67
Cable connection	
connection technology	insulation displacement contact
for cable cross sections	ø 8 ... 13 mm
Working temperature range	-40 °C ... +85 °C [-22 °F ... +185 °F]

Dimensions in mm [inch]



Connections

Plug-in face, L coded



Suitable for our series

IO modules

IOL4A4B.1L8341.1L21XX
