

Connectors

M23 connection technology

17 pin

Female connector with coupling nut,
conting direction of the female contacts ccw

Order details

Order no.

8.0000.5042.0000

Technical data

Connector housing

material metal
protection IP67

Cable connection

connection technology solder connections
for cable cross sections \varnothing 5.5 ... 10.5 mm [0.22 ... 0.41"]

Working temperature range

-20 °C ... +130 °C [-4 °F ... +266 °F]

Dimensions in mm [inch]

Connections

Plug-in face, conting direction of the female contacts ccw

Suitable for our series

Encoders
singleturn

5852 / 5872
